

## SUN BEAMS

By WALTER M. BARRETT

The Truckee Lions Club last night went on record as sponsoring a move to incorporate the town. This does not mean that the service club is going to attempt to force something down the throats of the people that they do not want. For several months however, the proposition of incorporation has been discussed pro and con, neither going ahead or back and it is the desire of the Lions to bring the matter to a conclusion and if found incorporation will be desirable the club is prepared to fight for its adoption. If on the other hand, it is found to be undesirable, the clubmen will be among the opponents. Regardless of the outcome, the Lions are accepting a project well worthy of the group.

Tomorrow evening at 8 o'clock, the graduating class of the high school will present the annual play at the Masonic Hall. These youngsters have worked hard, devoting many long evenings to practice that the entertainment will be worthwhile. They have prepared themselves to give a good performance—no doubt amateurish in spots—but nevertheless, it will afford everyone an evening of good clean entertainment and it is hoped the hall will be packed to show these youngsters that their efforts have not been in vain.

Another watch "salesman" was in Truckee this week but from what we can learn, he failed to find any customers. It's funny how those fellows operate and keep out of jail.

Down on Church Street there is more trouble from sewage backing up in basements and streets. Now a petition has gone into the supervisors asking aid. This step was long delayed, but we hope it will be effective. The condition warrants attention and while no one seems to want to accept the responsibility, something will have to be done beside talking and buck passing if the thing is corrected.

### MAN SENTENCED TO 90 DAYS FOR THEFT OF AIR HAMMER

A. C. Wilkerson, 45, for several months a resident of Truckee, and employed here, pleaded guilty Tuesday before Justice of the Peace C. E. Smith to a charge of stealing an air-driven jack-hammer from the Union Paving Company and was sentenced to serve 90 days in the county jail.

### NEWLYWEDS FETED AT WEDDING DINNER ON SUNDAY NIGHT

Two recent Truckee newlyweds Mr. and Mrs. Eugene Barton and Mr. and Mrs. Ralph Brettauwer, were feted at a wedding dinner given by Mr. and Mrs. A. B. Polyanich at the Coffee Shop on Sunday evening.

There were twelve at the attractively appointed tables, including the parents of Mrs. Brettauwer, Mr. and Mrs. Bert Weeden and the parents of Mr. Barton, Mr. and Mrs. Polyanich.

### LOIS SMITH FETED ON BIRTHDAY BY GROUP OF FRIENDS

The ninth birthday of Lois Smith daughter of Mr. and Mrs. Dan F. Smith was the incentive for a party given at the home of her parents on Tuesday evening. Games were played by the little guests and dainty refreshments were served.

The honoree was presented with lovely gifts on the occasion. Those sharing the event were Jeanette Hume, Mava Thomas, Patricia Mahne, Margaret Carson, Mildred Porter, Patricia Boren and Corabell Cheaney.

### BIANCHI RETURNS TO WATCH MAKING

A. Bianchi, widely known watch maker and repairman of this area, has again returned to Truckee after a winter spent in various parts of California and Mexico. He has opened his shop in the Sierra Sun office.

### FIRE DEPARTMENT CALLED TO HOME ON RIVER STREET

The fire department was called to the J. Digesti home on River street this week when a stove pipe in the kitchen dislodged with a hot fire in the stove, filling the room with smoke. No damage was done.

## Steps Are Taken To Prevent More Damage By Water

### Petition Asks Supervisors To Take Action On Local Conditions

#### STREETS ARE FLOODED

### Sewer Again Backing Up On Church Street With High Water

The annual rampage of Trout Creek in the eastern section of the town is again creating an undesirable condition and as a result a petition has been signed by 60 residents and property owners along the affected area and forwarded to the board of supervisors asking that steps be taken to eliminate further trouble in the future.

The petition was circulated by George Pace, one of the property owners and a member of the local sanitary board, who pointed out that the overflow of the stream is causing damage to streets and property and resulting in an unsanitary condition.

This latter trouble is caused by the filling up of the main sewer, causing the sewage is again backing up into the manholes and basements along the street.

Pace said that in the past much talk has centered about the difficulty but nothing has been accomplished to remedy the matter.

### SEVEN TO GRADUATE FROM GRAMMAR SCHOOL MAY 26TH

Seven students of the Truckee Grammar School will receive their diplomas from the hands of Mrs. Dan D. Smith, clerk of the board of trustees, in the school's auditorium on Thursday evening, May 26 at 8 p. m.

Professor N. E. Wilson of the University of Nevada, who is scheduled to deliver the address of the evening, will be introduced by P. R. Nelson, the principal.

Miss Bonnie Lee Everett has been chosen, because of her scholastic record, to give the valedictory and Miss June McCallen will be the salutatorian.

Other graduates are Misses Marjorie McAdams, Elizabeth Gates and Azad Joseph and Orlan Waters and Jack Kennedy. As a parting gesture all the above students will take part in the program.

### FIRST LOOKOUT IS INSTALLED IN TAHOE NATIONAL FOREST

A lookout was stationed at Banner Mountain station in the Tahoe National forest on May 15. The station is the first of a series to be opened in the local forest as the dry weather approaches and dangers of fire become prevalent.

### CABONA SELECTED AS MANAGER FOR SEAWELL CAMPAIGN

Dave Cabona of Truckee was announced today as director of campaign activities in Nevada County for Senator Jerry Seawell, who is a candidate for the office of lieutenant governor.

Associated with him will be Eben Smart of Grass Valley, acting director for the western part of the county, with A. M. Holmes of Nevada City as general chairman.

Similar committees will be organized in the 58 counties of the state.

### FORMER CHURCH OFFICIAL EXPIRES

It was learned here this week that J. H. Williams, former superintendent of the Methodist Church in this district, died in hospital in Berkeley following a stroke of paralysis and was buried on Monday. Williams was favorably known here and many local residents will regret his passing.

#### Willis is Visitor

Rev and Mrs. P. H. Willis of Sparks were visitors here on Sunday.

## Hidden Cash Is Destroyed Here In Freak Case

Hiding money under a barrel not the safest place in the world, especially if you don't advise the staff.

Robert Tonini, Truckee grocer, learned this yesterday when he discovered that the young man employed to keep the store tidy had moved the barrel, where the money was secreted and not noticing the cache, swept it up and put it with debris into the stove.

Several checks and \$50 in cash were destroyed. Tonini asks that those who gave him checks for May 16 and 17 to advise him so adjustments may be made.

### High School Play To Be Presented Friday Evening At 8 O'clock

### Dress Rehearsal Will Be Held Tonight as Students Are Ready

The annual senior play of the local high school moves into dress rehearsal tonight with favorable signs toward a stellar production of Glenn Hughes' three-act comedy, "Guess Again," to be presented Friday night at 8 o'clock at the Masonic Hall.

The cast turned in the best performance of the rehearsals last night, all practically living the parts they played.

The play is being directed by Miss Anna Marie Munro, faculty member. The cast is looking forward to the play tomorrow night which will be immediately followed by a party for the cast and production staff to be given by Miss Munro.

### PROGRAM FEATURES P. T. A. MEETING HERE LAST WEEK

A regular meeting of the Truckee P. T. A. was held in the grammar school last Friday. The program was as follows: Two numbers by the Wyethia Club choral; reading by Miss Marjorie Parr; piano solo by Miss Betty Bick, who also gave a reading; a trio by Bonnie Lee Everett, Marjorie Parr and Beatrice Swink.

Proposed changes in the by-laws will be voted on at the next meeting. The room attendance gave the awards to Miss Reynolds of the high school and Mrs. Watkins of the grammar school. Refreshments were served.

The next meeting will be held at the high school on June 3 at 7:30 p. m.

### METHODIST CHURCH RENAMES BOARD AT LOCAL SESSION

T. K. Hamilton, superintendent of the Methodist Church of this district from Sacramento was in attendance at a district meeting held at the Community Church on Friday evening at which time the trustees of the church were retained. They are Mrs. Dan D. Smith, Mrs. George Kamp, C. E. Smith, Mrs. Elizabeth McKay and A. P. Leitch.

### BOOK ON TRUCKEE GOES ON SALE IN ROSSARINI'S STORE

David Boring's book, "Nobility in the Rough", went on sale this week in Truckee at Rossarini's. The book should be of great interest to local history enthusiasts since Truckee and the vicinity figure prominently. It is a book of fiction based on actual fact and the action takes place about the time of the completion of the Central Pacific railroad.

The author is well known locally having lived in Colfax. He recently addressed an audience on the occasion of Public Schools Week here.

#### Go To Grass Valley

Mr. and Mrs. A. B. Polyanich are planning a trip to Grass Valley on Friday.

## Lions Club Will Sponsor Program For Incorporation

### Committee Named To Take Action To Determine Local Wishes

#### SPEAKERS PROPOSED

### Local Issue Comes To Head As Lions Take Over Civic Project

With C. E. Smith selected as the chairman, a committee was chosen at the meeting of the Truckee Lions Club here last night to sponsor incorporation of Truckee.

The program will be started with further investigation of all phases of the proposal and the selection of speakers to visit here and explain in public meeting what incorporation will mean, giving everyone a chance to express themselves and determine all angles before the matter is finally brought to a vote.

Those on the committee with the chairman are C. B. White, Harold Langille, Rufus Gregory and N. F. Dolley.

A secret ballot was taken to learn whether the club desired to sponsor the project and there was only one dissenting vote.

Before any definite action is taken the committee agreed, all interested residents will be granted an opportunity to hear discussions pro and con and if it is found the proposal is not desirable, it will be dropped, but if it is found advisable, the election will be called.

Visitors at the meeting included Coroner R. L. Jefford and Del Powell of Grass Valley and Jack Paul of San Francisco.

President C. Edmunds presided at the busy and largely attended session.

### Present Staff At Grammar School Reemployed Here

### Landscaping Planned Here By School Board During Busy Meeting

The board of trustees of the local elementary school elected P. R. Nelson to continue as principal for the coming term at a meeting held Friday evening and Mrs. Elva Harley and Mrs. Jennie Watkins were named to complete the teaching staff.

There is a possibility that a fourth instructor will be required if the enrollment is increased.

Mrs. Watkins plans to attend the summer session at San Jose Teachers College preparatory to the re-opening of school this fall.

Other business at the meeting was formation of plans to do something about landscaping of the grounds at the building which will include leveling the grounds and planting shrubs.

Several screens are to be put on the west windows so the children can play ball without fear of damaging the property.

### GRAMMAR SCHOOL TO GIVE PROGRAM HERE ON TUESDAY

On Tuesday evening, May 24, the children of the grammar school will combine to present a program of two operettas under the supervision of Mrs. Elva Harley and Mrs. Jennie Watkins, teachers.

A song by all the pupils, "Take Off Worry and Put An A Smile", will be the opening number of the entertainment, followed by an operetta, "Let's Go Traveling", given by the primary and intermediate grades which will include songs and dances of the world's nations.

The students, under the direction of P. R. Nelson are to present an extravaganza in three acts entitled "Geewhillskins." A closing song "Now We Bid You Good-bye", is to be sung by all the children.

## Seven Fish Give Anglers Total Of 32 Pounds Trout

Three men spent three hours on Lake Tahoe one day last week and caught seven fish weighing a total of 32 pounds, the largest being seven and a quarter pounds.

The lucky men are Myron C. Immer, manager of the Associated Oil Company here, his assistant, Clarence Loomis, a Truckee newcomer and Albert Cooper from Placerville.

None of the lake fish however equalled the nine pounder which Gino Giovannini landed right in the Truckee river close to town.

Giovannini's German Brown is the largest fish taken from the Truckee river this season.

### Checking Station At Tahoe-Truckee Wye Sought By Chamber

### Inspector Here To Look Over Sites As Plans Made To Move

Decision to move the Truckee state border checking station from its present location near Donner Trail auto camp, was reached recently and as a result, the local chamber of commerce has written to authorities asking that it be placed near the Tahoe-Truckee Wye instead on at the west end of Donner Lake.

A state official was in Truckee last week to look over the sites and prior to his departure he said he would recommend the Wye site in preference to the Donner Lake location.

It was pointed out in the chamber of commerce recommendation to Mr. Howard Deems, registrar of vehicles, that terms similar to those obtainable at Donner can be secured from R. Joseph, owner of the nearer site and that year-round facilities will be better.

In making the request it was also pointed out that Truckee is one of the few districts that opposed abolishment of the stations and that it can only seem fair if this concession is granted.

The chamber offered to aid in any way possible in the program.

### PLANS COMPLETED FOR GRADUATION OF SENIOR CLASS

A great deal of business was discussed at a meeting of the senior class of the high school yesterday.

It was decided by the class to make a trip to Carson City, Virginia City and to Reno in observance of Skip Day.

Graduation plans were also discussed and it was reported that an invitation had been extended to State Senator Jerrold Seawell of Roseville to speak at the graduation. Arrangements have been made with Father William Daly to deliver the invocation and benediction for the commencement exercises.

Miss Marjorie Everett, daughter of Rev. and Mrs. E. R. Everett, is the class valedictorian and Douglas Barrett, son of Mr. and Mrs. Walter M. Barrett, is salutatorian. The exercises will be held at the grammar school on the evening of June 10. A dance will be held following the program.

Other graduates are Robert Bowers, George Zorich, Eva Moro, Juanita Ogan, John Sabini, Frank Titus, Wallace Watkins, Flori Digesti, Ida Stewart and Karl Kielhofer.

Class President Robert Bowers presided at the meeting.

### Repairs Are Completed At California Cafe Entirely Renovated

## Petition Seeking To Have California Take Over Road

### Highway Between Truckee Brockway Urged As State Road

#### NEARLY 200 SIGNERS

### Growth of District Stressed By Proponents Making Request

A petition, bearing the signatures of nearly 200 businessmen and other residents of the north end of Lake Tahoe has been prepared for submission to the state department of highways, asking that the present county road from Truckee to Brockway be taken over as part of the state's secondary road system and prepared for travel.

The petition was circulated as is to be presented by D. Cabona, local businessman.

At the present time the road is not surfaced and is usually in bad repair, making travel over it for the most part of the year impossible.

It was pointed out in the petition that the area on Lake Tahoe to be served by the new lateral is one of the fastest growing sections in the state and for the interests of all the residents of that area the new road is sorely needed.

It is hoped by proponents of the plan that the state will take over the road as soon as legally possible and that work can be started at no distant date on regrading and surfacing.

### NEW GAR WOODS ARRIVE FOR LAKE TAHOE BOAT FANS

Two new Gar Wood speed boats, representing an investment of about \$14,000, arrived here by special freight on the Southern Pacific this morning for Tahoe residents. The deliveries are being made by Jake Obexer, the Tahoe agent for the famous craft.

The first boat, a 28-foot craft, with a 12-cylinder, 316 horsepower Scripps motor is for Frank E. Buck of San Francisco. The boat cost \$8,000.

The other, a \$6,000 Gar Wood, 25 feet long and with a 212 horsepower motor goes to R. H. Shainwald of San Francisco.

### NEW STAMPS GO ON SALE IN TRUCKEE; MORE TO FOLLOW

This week a new one cent stamp went on sale in the Truckee post office. This will be the first of a new series to replace the old issue which originated in 1922. The one cent stamp carries a likeness of a bust of George Washington and the dates he served as president. The entire issue with the exception of the one and a half cent stamp will portray the presidents of the United States in the order of their succession in office. The exception will have the portrait of Benjamin Franklin, originator of the government post office service.

Also on sale is the new air mail stamp to replace the six cent orange airmail. It is a bi-colored stamp in crimson and marine with the American eagle in flight as the center design.

Postmaster E. C. Bavie said that she expects the new cent and a half stamps in the near future.

### INSECT PATROL GETS PUBLICITY FROM PICTURE MAGAZINE

California's insect patrol which maintains the so-called "Bug stations" throughout California has been studied and given two full illustrated pages one one of the picture type magazines of recent date.

The pictures show the problem that faces the men who man the border stations for agricultural inspection.

Pictures of the local staff at work created considerable interest here.

The Chamber of Commerce—will meet at Besio's on May 23.

### THE REWARDS OF FIRE PREVENTION

Winter is over. Good days are here again. And millions of people will soon start a pleasant round of motoring trips, picnics, camping excursions and other forms of out-door recreation.

If you are one of these, you will find nature at her best. But do your part to make sure that she stays at her best—by being careful of fires.

There are millions of acres of ravished, blackened stump land in this country that once bore magnificent trees—because someone was careless with a campfire. Some of the magnificent natural garden spots have been turned into ashy waste—because someone was careless with a cigarette. Animals and humans have perished horribly in holocausts of raging flame—because someone took a chance with fire.

Almost all states have laws against throwing matches or lighting tobacco from cars—obey them rigorously. They are sound laws, designed for your protection, and they deserve your cooperation. An excellent practice is to break a match in two between your fingers before dropping it—then you'll know it is really out.

Don't go on a camping trip without the basic tools of fire control—a shovel, axe and a good-sized bucket. If possible, make a rock fireplace for your fire. Under no circumstances build it near brush, dry leaves or other easily inflammable materials. Don't build a large fire—a relatively small one is adequate for all camping needs. And when you are through with it, really put it out—douse it with water, and shovel dirt over the ash. Be sure that not a spark remains.

The prevention of fire in the outdoors is its own reward—it guarantees that there will be a beauty spot for you to visit next year.

### RELIEF RIDDLE

The American people this year, despite the current recession, will dig down in their jeans and pony up some three billion dollars to care for less fortunate fellow citizens who are out of jobs and compelled to accept aid. That means—if we accept Harry Hopkins' estimate of about 3,100,000 unemployed on the relief rolls—approximately \$80 a month for each.

Now by and large, we'd say \$80 a month is a tidy sum and men and women receiving those checks should be glad they live in a country which provides so well for its needy unemployed. But right here is where one discovers the Sengambian in the woodpile. You see, the fellow on relief does not really get that \$80 a month provided by the taxpayers. Coming right down to cases, he's lucky if he gets half that amount. In California, for instance, the very top is \$52.50 a month and in most states it is much less. In Oklahoma the maximum for a family is \$22.50 a month.

We incline to wonder whether some relief recipients, getting say, \$35 or possibly \$40 a month, speculate a bit or what becomes of the rest of the \$80. The answer, of course is simple enough. We are prone to call it by other names but perhaps the kindest thing is to call it simply "overhead."

### MORE INTEREST NEEDED

We can talk and write from now on about the need for action in cleaning up and keeping Truckee more presentable, not alone for our visitors, but ourselves as well, but unless concerted interest is taken, nothing of importance can be accomplished. It is not a single handed job, it's one which demands the interest and efforts of all and until something is done to create this interest or civic pride, the cause is lost.

### CHAMBER UNIT IN MEET AT CAPITOL

Some of the highlights of the Sacramento Valley Council meeting of the state chamber of commerce held in Sacramento and attended by C. Edmunds, who represented the local chamber, follow:

Funds to combat white pine blister rust to be available, according to the Conservation Committee report. Committee also reported \$50,000 for forest insect research project again secured.

Emergency funds available to forest service for flood rehabilitation not being spent due to lack of certification by SRA to WPA of men qualified for work. Conservation committee instructed to take steps necessary to prevent loss of funds by early employment and certification of people needing work.

Timber screens for highways to be studied by state planning board according to recommendation of conservation committee.

Fair treatment of farm labor and insistence on strict adherence to contracts urged by agriculture committee, who reported that farmers are apt to be blamed for conditions beyond their control in pea growing areas, where a broken promise relating to wages has caused labor difficulties. Committee again announced the policy of urging fair wages and working conditions for farm workers.

## NORDEN

Mr. and Mrs. Martin Brady have returned to their home in Norden bringing with them their latest daughter, Barbara Ann, age 10 days. At latest reports Barbara Ann is perfectly satisfied with her new surroundings.

After eight years in the grocery business in Norden, John C. Lyons has disposed of his holdings to Messrs Zangner and Fredricks of San Francisco. The new owners assumed control on Tuesday of this week. The Lyons family are moving to Sacramento and Mr. Lyons will remain in Norden until such time as a new postmaster is named for Norden. The citizens of Norden are reluctant to have the Lyons leave and the move was actuated due to ill health on the part of Mrs. Lyons.

Miss Milly Filippie of Montague sister of Mrs. Martin Brady was on hand to welcome her new niece Barbara Ann to Norden from Auburn on Saturday of last week. Miss Filippie is well known among the younger set of this community.

Mr. Robert Randall of Norden finds much to occupy his time in and about Brady Inn the past week.

After his marriage to Miss M. Newby of Sacramento one week ago, Raymond Littlejohn has returned to Norden to resume his work and much more satisfied with the world in general.

Several Norden residents were on hand for the Silver Wedding anniversary of the Oscar Olsons of Roseville last Saturday night in which a dinner and gifts were the offerings of the surprise assemblage that gathered from far and near.

Johnny Backarich has returned to Norden after a two weeks vacation in the bay cities.

Robert Threlkel of Carson City spent the weekend with his mother in Norden.

Several folks plan on a lodge night in Truckee on Thursday and Colfax Friday evening.

To visit his parents, Mr. and Mrs. John Backarich returned to Norden after a week end there.

Andrew Pfeiffer was a recent arrival in Norden on business.

Joseph Casari was in Sacramento on an important date.

Edward H. Clark, Jr., of San Mateo enjoyed a weekend visit at the home of his sister, Mrs. Helen Slater of Tahoe Park.

Tahoe City home for the summer. George Kehlet, owner and manager of Meek's Bay has arrived and is busy getting ready to open the resort.

Mr. and Mrs. Phil Gier had as their dinner guests Sunday, Miss Pearl Chilson and George Kehlet.

## Tahoe Region News

The Tahoe region was visited on Saturday and Sunday by showers, considerable thunder and lightning and a total of 20 of an inch of rain which brought the lake level up to 6226.93. Snow in most sections is either completely gone or fast diminishing. Only on the west shore of the lake in the Sunnyside district and Tahoe Park does it still linger in depths ranging from one to ten feet. Everywhere streams of water gush from banks and run down hill sides, making their way to the lake, and creeks running fullest capacity, some overflowing onto the highway and flooding mountain meadows. General creek has gone on a mild rampage and overs the highways for a short distance and at Hog Pen Hill the creek pours a steady stream across the highway. Long puddles have stood for days near the Southern Pacific's apartment building, whose yard also stands deep in water. Motorists are warned to drive with care through the watery sections as 15 or more cars stalled Monday near the Knox grocery in Tahoe Park.

Mr. Paul Crandall, who recently purchased the property was much disgusted to awaken on Sunday to find a good four inches of water in his bedroom, caused by a young lake which has stood for days around all the cabins and store. The entrance to the Theodore Schleuter and Nicholson summer cabins is blocked by the flood also.

Belvia Wagner of Crescent City, brother of Ed Wagner, accompanied by his wife, enjoyed a week's sojourn at the Lake Forest home of the Wagners. It was his first visit here in seven years, his comments on Tahoe's progress being most complimentary. They left for home on Thursday.

One of the Re trucks collided with a car driven by Ben Lampert of Tahoe Vista on Monday of last week, the latter struck and spun about on the highway as he started to turn onto a side road. No one was injured.

Mr. and Mrs. Theodore Schleuter of Oakland are now occupying one of their new summer cottages erected last year in Tahoe Park.

Mr. and Mrs. Lloyd Yeakel of Lake Forest and son Rodney motored to Oakland over last weekend in their new car to participate in a jolly family reunion.

The case of William Rindfleisch, who sought \$300 damages from Wade, Burt of Tahoe Vista, relative to the building of a fireplace at his summer home some months ago, was settled amicably before Judge Geo. Bliss at a hearing Friday night.

Miss Sarah Bacchi has returned from Sacramento to assist in the operation of her parent's restaurant this summer.

Mr. and Mrs. Art Sather and daughters, Nancy and Mabel and Miss Phyllis Miller of Auburn enjoyed last Wednesday at Tahoe where they were guests of the Charles Swansons in Sunnyside. Messrs Sather and Swanson and Mrs. Sather motored to Globins Al Tahoe on the south end of Tahoe where they hired a boat and spent the afternoon angling for elusive trout, managing to

entice six large beauties which accompanied them home. A dinner given before the departure of the visitors was attended also by Mrs. E. E. Prusso and sons, Donnie, Ray and Sherwood.

Monett Hamilton, Jr., landed successfully last week a five and a half pound lake trout the envy of his admiring elders.

During the weekend visitors at the Chris Nielsen home at Tahoe Park included William Towne, Mr. and Mrs. J. W. Ganow and daughter, Mr. and Mrs. J. W. Westholme of Fairfield and Mr. and Mrs. G. W. Smith of Reno. On Thursday Mr. and Mrs. William Kennedy of Reno were guests. On Sunday dinner guests included Jack Kirkley, his mother Mrs. Elizabeth Kirkley, Betty Lou Kirkley and C. A. Addenbrook, Reno. Governor and Mrs. Richard Kirmas of Nevada enjoyed a leisurely tour to Tahoe on Sunday last.

Many residents of Tahoe remained up on Friday to witness the total eclipse of the moon which proved an exciting spectacle being clearly visible.

Mr. and Mrs. William Gibson and daughter were dinner guests of the Monett Hamiltons on Sunday.

Chick Welch and his mother of Reno motored to Tahoe to visit their many friends on Monday.

Mr. and Mrs. Nelson Salter have arrived from their winter home in Fresno to open their popular Emerald Bay resort for the summer.

Mr. and Mrs. B. C. Scott of Berkeley were visitors in town for several days last week.

Mrs. Gerda Kvistberg has returned to her Tahoe Park home accompanied by her sister, Mrs. Marie McLane of San Bruno who will visit with her for a month or more. Jimmie Easton her grandson who formerly attended Tahoe schools, had a thrilling experience during the terrific storm of several months ago when the Solano, on which he is now a petty officer, ran into a typhoon while en route across the Pacific. The vessel which is captained by Captain John Kvistberg, was forced to put into Honolulu for three weeks for repairs before returning home.

On Saturday both high school teachers, Mrs. Bliss Hinkle and Miss Mary Pronzato received notice from the board of trustees at Auburn that they will be retained for another term in their present positions.

High school will close on June 20 as originally planned, the state board of education having decided to count the week lost at the opening of the school because of snow conditions, as an emergency situation which was unavoidable and will not have to be made up. Elementary grades this

year will also enjoy a six weeks vacation during the summer months. Simultaneous closing is being tested as an experiment.

Mrs. Hinkle will in all probability join her husband and family in New Mexico for the summer while Miss Pronzato will return north to her home at Fort Bragg to enjoy the

vacation period.

Charles Wilkie and son Clarence have arrived at Timberland for the summer.

Mrs. Norman Obexer of Homewood is in Lincoln at the bedside of her mother Mrs. Emma Williamson who was taken seriously ill some weeks

### TWO NEWCOMERS AT TAHOE WELCOMED BY LOCAL PARENTS

TAHOE CITY, May 19.—Two Tahoe families accepted delivery on two brand new babies last week.

On Thursday at 7:30 p. m., Mrs. Flora Hunkins accompanied by Mrs. Art Brodehl left Tahoe for the Auburn hospital. All speed ahead was observed as far as Colfax where a physician was summoned to examine Mrs. Hunkins and administer medical aid. An ambulance of the state highway department summoned previously assumed charge of the patient from Colfax to Auburn, sirens of the accompanying police escort shrieking through the night as the speedometers reached the 90 miles an hour mark on some stretches. An hour after arrival, at 10 p. m., a little six and a half pound son, Ronald Dale arrived. Both mother and baby are reported doing fine, despite the exciting ride.

Friday, May 13, holds no terrors for the Bechdolt family of Tahoe Inn for on that date a little daughter, Christine, weighing six pounds and 14 ounces, arrived at St. Mary's hospital in Reno for Mrs. Carl Bechdolt, Jr. Both are reported doing nicely. Last seen that night Grandpa Bechdolt was holding open court at the Tahoe Inn, receiving congratulations and handing out Havanas with one hand and refreshments in the other. Not a solitary button remained on his gaping vest!

### MRS. SISK INJURED IN CLEANER MISHAP

TAHOE CITY, May 19.—Mrs. Jess Sisk narrowly escaped serious injury on Monday while working at Tahoe Inn. In making adjustments on the electric cleaner, her sleeve inadvertently turned in the switch, drawing her finger into the mechanism nearly severing the end of her right index finger. She was rushed to the office of Dr. C. B. Pedersen who stitched the wound together.

### PROGRAM OFFERED BY GRADE PUPILS AT TAHOE SCHOOL

TAHOE CITY, May 19.—An enjoyable evening was provided by elementary grade pupils on Friday night when a program of Swedish and Norwegian dances and songs was presented before a large audience. Mrs. Irene Mason Edwards executed with exceptional charm two of Grieg's quaint compositions. Mrs. Otto Darlin offered an entertaining discourse on oddities and customs observed by her and her family on their return to Norway four years ago. Lantern slides, a Virginia reel and group singing were followed by serving of Eskimo pies.

### Piano Teacher Will Be Located At Home At Tahoe Fish Hatchery

TAHOE CITY, May 19.—Irene Mason Edwards, concert pianist is opening a studio at the Tahoe Fish Hatchery in her home. She has a long and enviable record of past triumphs in the musical world, being a graduate of the University of California at Los Angeles from which school she received a certificate of music. She has taught at Lafayette school, Polytechnic, Montebello and Whittier State school for boys, studying for 25 years under Dr. Charles C. Dray, noted Los Angeles instructor. At the age of 14 she gave her first public recital and in 1922 she gave the first all Chopin program ever attempted in Los Angeles at the Biltmore hotel.

James Mandeville who returned to Tahoe on Thursday is residing at the Kings Beach home of his brother Bud Mandeville, temporarily. Members of his family rallied to his aid raising the fine of \$240 imposed by Judge George Bliss after he had served three days of his three month sentence on a theft charge.

Mr. and Mrs. Martin Spitzner have returned to Tahoe for the summer.

### TAHOE FRIENDS WILL MISS McCLATCHNEY; DIED LAST SUNDAY

TAHOE CITY, May 19.—Death on Sunday removed from Tahoe one of her oldest summer residents, when V. S. McClatchney passed away in San Francisco after a short illness.

He was 82 years old and had been coming to Tahoe region for more than 65 years, ever since he was a lad of 16. Many of the happiest days of his long and useful life were spent at his Tahoe estate, where he had a beautiful brick house with cabins and tents for his large family. His many friends will miss his cheerful countenance in the summers to come.

### Tahoe Ramblings

(By SWANEE)

Harry Comstock's Brockway hotel is undergoing a thorough process of remodeling and renovation under the direction of Contractor Andy Sorenson of Tahoe Vista. A crew of 55 carpenters has been engaged for three weeks or more in beautifying and modernizing this popular resort village. Approximately \$40,000 is being expended on the project which affects nearly 50 buildings. Cost of the new outdoor swimming pool alone is \$6,000. A special interior decorator was imported from New York to assure the latest trend in color and technique. Opening date, according to Sorenson is tentatively set for the middle of June.

Mrs. Irene Bell announces that she is officially lifting the lid of Rene's Bean Pot in Tahoe City for the summer at a hard time party to be held on Wednesday, May 18.

Two of the fine modern stores in Otto Darlin's new building in town are being prepared for summer opening. Darlin will retain the center store for his own establishment, this year to carry a complete stock of everything electrical, new refrigerators, stoves and household appliances of all kinds. The public is invited to drop in and inspect the store and stock. The first store originally intended for the new post office has been leased for a five year period by A. Moore of Sacramento who is rushing completion of the interior to be finished in knotty pine, for an early summer opening. Moore is owner of Moore's Fountain on K street in Sacramento and manufactures all his own candies and roasted nuts. He plans to instal a large fountain and counters with booths. Watch for the announcement ad in this paper later this month.

Mrs. M. Goggans is the new assistant on the local telephone exchange in Tahoe.

Mrs. H. H. Hull in charge of the Tahoe exchange last summer who was transferred to San Francisco, is back again at Tahoe to assume her duties. Many local friends have been welcoming her return.

Miss Agnes Soll who manned the switchboard throughout the winter is enjoying a well earned vacation of several weeks before assuming charge of the Homewood exchange for the summer.

A peppy five-piece orchestra furnished music Saturday night for the crowd of several hundred who attended the open house free dance party at CalVada Lodge. Fred Reiselt and Johnny Rayburn, managers, greeted the guests and turned the facilities of the popular resort over to the merry-makers.

The Log Cabin in Tahoe City is now open for business and patrons will be welcomed cordially by the managers, Reiselt and Rayburn.

Deputy Sheriffs Fred Kohler and Charles Swanson of Tahoe attended the rifle shoot held by members of the Placer County Peace Officers' association at Roseville on Thursday. Kohler winning first place in the moving target competition.

Tahoe Realty's new office building being rushed to completion for summer occupancy near the Tahoe Wye already boast a roof despite the fact it was started only a few days ago. The building will add materially to the beautification of the barren strip of land along the Truckee river.

Mr. and Mrs. Herbert Watson are driving a new Buick sedan.

TAHOE BARBER SHOP—Now open for Season

### Buckhorn Opens For Season Saturday Under Former Management

TAHOE CITY, May 19.—One of Lake Tahoe's most popular resorts the Buckhorn at King's Beach will have its seasonal opening Saturday. It has been announced by the managers, Big Fred Reiselt and Johnny Rayburn. The slogan adopted is "Every night is Saturday night at the Buckhorn."

The fine bar and big stock will be only one of the many attractions at dining, dancing, entertainment and fun are promised.

The resort is centrally located at King's Beach and is easily accessible from all points.

Mr. and Mrs. Dave Chambers have deserted their Woodland hotel home for Tahoe once more and are busy preparing their lakeside resort for a busy summer season.

Fred Nelson of Marysville will be employed by Henry's Tahoe City Garage as mechanic this summer.

Mr. and Mrs. C. T. Bliss visited briefly at Tahoe last week.

Mr. and Mrs. A. Nicholson of Vacaville and son were visitors in Tahoe over the weekend, bringing in plumbing supplies for the Tahoe community center building which they are furnishing.

We are advised by G. G. Doty, secretary of the Placer county planning commission that on May 27 at 10 a. m. in the superior court room at Auburn a public hearing will be held on the petition of C. W. Petersen of Tahoe to have certain portions of streets in Tahoe Island Park abandoned. Thoroughfares affected include Sierra Vista, Lake View and Manzanita avenues. Anyone wishing to speak for or against the plan is welcome to attend the meeting.

Gene Rogers drove his mother Mrs. Nina Rogers from San Francisco to the lake on Monday in their new Buick sedan. Mrs. Rogers will remain at her Tahoe City home for the summer season, her son taking a bus back to the city.

George Brinkman, well known in Reno and Truckee has opened a barber shop in Tahoe Inn for the summer.

Joseph Sanders of Sacramento spent Thursday in the Tahoe region enjoying brief visits with his friends here.

## Ordinance Of Nevada County Number 139

AN ORDINANCE, REGULATING THE DISCHARGE AND SALE OF FIREWORKS IN THE COUNTY OF NEVADA AND PROVIDING A PENALTY FOR THE VIOLATION OF SUCH REGULATION.

BE IT ORDAINED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA:

SECTION ONE: No person, or persons, firms, company, corporation or association, other than those as hereinafter permitted, shall fire, discharge or explode any rocket, firecracker, bomb, Roman candle, torpedo, torpedo cane, or any kind of fireworks, by whatever name known, within the limits of the County of Nevada. PROVIDED that public displays of fireworks may be given with the permission of the Board of Supervisors, under a competent director who understands explosives.

SECTION TWO: No person, or persons, shall place any explosive substance on the rails of any railroad company, at any time except when used as signals in the conduct of business.

SECTION THREE: The provisions hereof shall not prevent the use of explosives for mining, construction work, tree planting or other purposes wherein such explosives may be used for the improvement, protection, development or operation of property.

SECTION FOUR: No person, or persons, firm, company, corporation or association shall sell or offer for sale, or expose for sale, at retail within the County of Nevada, any quib, rocket, firecracker, bomb, Roman candle or combustible fireworks or any article for the making of a pyrotechnical display.

SECTION FIVE: Any person or persons, firms, companies, corporation or association who or which shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding five hundred dollars (\$500.00) or by imprisonment in the county jail for a period of not exceeding six (6) months, or by both such fine and imprisonment.

SECTION SIX: All ordinances, or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION SEVEN: This ordinance shall take effect and be in full force

### MONUMENT OF CARABOBO

THIS monument marks the site of the "Waterloo" of the Royalists in Venezuela. Many attempts were made to free Venezuela from the rule of Spain. But it was Simon Bolivar, the Great Liberator, a native of Caracas, who finally achieved success. His first attempts, however, like those of his predecessors, failed. There was trouble even after he proclaimed, in 1819, the union of Venezuela and New Granada under the title of the Republic of Colombia, or "Greater Colombia"; and the liberation of Venezuela was not completely achieved until the victory of Carabobo on June 24th, 1821.

The battle took place on the plains of Carabobo, about twenty-five miles from Valencia, approached through Puerto Cabello visited weekly by 16-day cruises from New York. During

the course of the battle mistakes seem to have been made on both sides. La Torre, in charge of the royalists, had neglected to cover his flank with sharpshooters, and had planted his army too far back for them to be useful. On the other hand, the section of Bolivar's troops, under the command of Paez, sent to outflank the enemy through a wooded ravine, charged into the open too soon, and were thrown into disorder by the muskets of the royalists. At this point, fortunately for Bolivar, the British Legion formed a guard around the disordered men, protecting them until they could collect themselves for another attack. When they charged again, whole battalions of Spaniards threw down their arms or fled into the woods. And the Battle of Carabobo was won.

Travel stimulation committee heard report on Sacramento's Centennial from Sacramento committeemen. The council endorsed objective of Oroville Chamber of Commerce in promoting development of Feather Falls, and requested U. S. Forest Service to

make survey as to cost and feasibility of constructing a road in this area.

Travel stimulation committee pledged full support of program to make the State Fair this year the largest in the country.

CAMPERS MUST OBTAIN  
FIRE PERMITS BEFORE

STARTING FIRE IN FOREST

Campers and others making trips into the national forest areas must have U. S. forest service permits before they will be allowed to build campfires in those localities, it was pointed out by the touring bureau of the California State Automobile association.

Campfire permits are issued without charge and are issued only for the calendar year and are good only in national forests and not in state parks or on private ground. Permits are required for fires in stoves or auto trailers.

## The All-Electric KITCHEN

SAFE — PURE — HEALTHFUL

THE kitchen, which is generally occupied more hours than any other room in the house can become a SAFE, HEALTHFUL workshop in the home.

"All Electric" means no combustion to rob the air of its life-sustaining oxygen—no danger of fire or explosions—no fumes or odors—just PURE, WHOLE-SOME air, heated to the correct temperature.

The temperature is automatically kept at a healthful degree by thermostatic control.

An ELECTRIC KITCHEN is CHEERFUL and CLEAN and is easily kept spic and span at a minimum of cost and effort.

## WHICH DO YOU USE?

THERE ARE TWO MOTORS UNDER EVERY HOOD  
— AVIATION ETHYL GIVES YOU THE ONE WITH  
MORE POWER THAN YOU DARED TO EXPECT

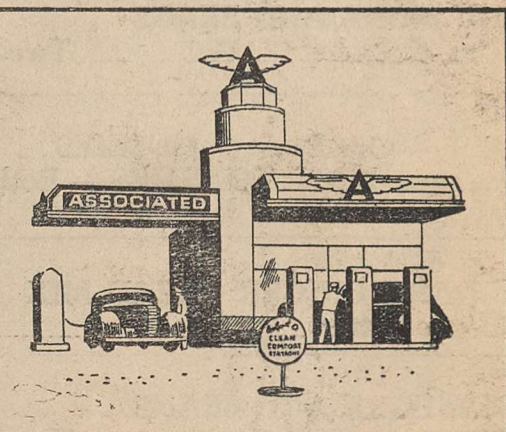

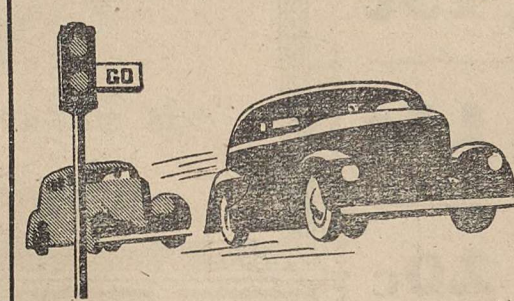

ONE that gives you all the power built in at the factory

ONE that takes the hills faster

ONE that is easier to handle in traffic

GET THAT NEW MOTOR! FIND IT

WITH ONE TANKFUL OF ASSOCIATED AVIATION ETHYL

Yes—it's as simple as that. Just switch to Associated Aviation Ethyl gasoline and discover a new motor, new power you never knew you had.

This true aviation fuel proves with a single tankful that it has more "get-up and go" than any other gasoline you have ever used.

That's because Aviation Ethyl (only aviation fuel for your car) is built after aircraft specifications. It mixes instantly and in scientific exactness with the air in your carburetor—the dry vapor gets to the cylinders faster in ready-to-fire form.

Once you have found the new motor this different gasoline gives you—you'll never go back to that old motor again. So switch to Associated Aviation Ethyl today.

To be doubly sure you get every last bit of power—have your car Motor-Checked. Your car dealer—properly equipped garages—and your Associated Motor-Check Station can all give you this factory-recommended service. Ask your Associated Dealer about it.
